

Donlen Announces Monthly Remarketing Update

Northbrook, IL – Donlen, North America’s fastest growing and most innovative fleet leasing and management company, announced a new monthly feature to their thought leadership blog, “On the road...”: Monthly Remarketing Update by Gus Xamplas, Donlen’s Vice President of Remarketing.

“We know that our customers are looking at their total cost of ownership,” said Xamplas. “Donlen has access to millions of transactions via our proprietary National Auction Index tool, and it’s important to analyze current data to keep them informed of industry trends.”

Xamplas has deep industry knowledge with more than 30 years experience in the auto finance and leasing industries, and will be reporting on the monthly remarketing trends as a whole and on specific models’ sales results when significant.
