

NABD to Host Fourth Annual BHPH Underwriting & Collection Conference on November 7-9, 2010!

Houston, Texas – The National Alliance of Buy Here, Pay Here Dealers (NABD) today announced more details of its upcoming fourth annual Underwriting and Collections Conference, which will be held in Dallas, Texas on November 7-9, 2010. More than 500 attendees are expected to attend this three-day event

“This show will feature many of the nation’s most successful operators who will share their experience, knowledge and best practices,” said Kenneth Shilson, CPA and founder of NABD. He added, “We are excited to announce that this year’s NABD Underwriting and Collections Conference will be held in a completely new venue that has enabled us to expand our exhibit hall, and have separate additional tracks for underwriting and collections.”

This year’s conference will be held for the first time at the Hyatt Regency DFW, located in Terminal C of the Dallas/Fort Worth International Airport, to facilitate travel by all participants. “NABD has negotiated very favorable \$119.00 per night room rates while supplies last, and no ground transportation will be needed by attendees. We also have some of the nation’s leading attorneys and experts speaking and the information attendees will receive will be invaluable, particularly in the new regulatory environment,” Shilson said.

The educational sessions feature separate tracks for collections and for underwriting. The sessions will also include the latest benchmark information including an updated study on payment devices. Role playing will be used to illustrate successful techniques and practices and all sessions will be interactive. “Our keynote speaker is a Wall Street investment broker who will share insights on raising capital,” Shilson noted.

A luncheon and two receptions will be held in the expanded exhibit hall. The exhibit hall, the luncheons, and receptions are organized to maximize networking between attendees and exhibitors. A detailed agenda of the event has now been posted on the NABD web site at www.bhphinfo.com.

Those interested in registering may do so online at www.bhphinfo.com or by calling 713-290-8171. Anyone interested in exhibiting should call Keith at the aforementioned number.

NABD is the only used car special interest group exclusively for the self-finance industry. Membership is open to anyone in the BHPH industry and to service providers. Members pay no dues.
